

Grow Your Business with Premier's Employment Services

About Premier ES

Premier Community Supports, LLC. provides support services to children and adults who live with intellectual and developmental disabilities with compassion, pride, and commitment to excellence.

Premier is excited to announce that we are now offering Employment Services to individuals living with ID/DD in Douglas County. Premier works with Individual's based on their personal interests to provide person-centered job skills at qualified work sites. Upon hire, Premier staff provides ongoing job coaching. Our Job Coaches provide support in learning and adjusting to new employment to maintain a positive working relationship between employee/employer.

Benefits

Why Grow Your Business with Us?

- Supporting Inclusion and Diversity in the workplace
- Employee Reliability
- Employee Productivity
- Work Opportunity Tax Credit

What is the Work Opportunity Tax Credit?

- Federal tax credit available to employers for hiring individuals from certain target groups who have faced barriers to employment.
- Employers can earn a tax credit from \$1,200 to \$9,600 per qualified employee, based on the target group of employee and number of hours worked in the first year (must work at least 120 hours in the first year).
- Between 10 to 15% of new hires may qualify.
- For more information about WOTC, email WOTC@employ.oregon.gov
