## Why Choose Premier?

- 1. You come first! We want our Supports to work for you not us!**
- 2. Support Compatibility! Premier spends a considerable amount of time getting to know each DSP and Individual in person and/or over the phone. Premier is determined to see the best possible outcome for longevity of supports for each individual. Premier is Person Centered! You choose the DSP that works for you!**
- 3. Collaboration! Premier collaborates with individual services to assure we are all on the same team to provide the best supports possible. You are like family here at Premier!**
- 4. Office Near You! We have offices in/near each County we support (Benton, Columbia Gorge and surrounding areas, Coos, Curry, Douglas, Jackson, Josephine, Klamath, Lane, Lincoln and growing). This means, you can physically come in and see us!**
